Subject: E-learning course on diagnostic and therapeutic radioisotopes and radiopharmaceuticals application with foundational-level regulation, Daejeon, Korea, Republic of, from 2– 13 September 2024

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RAS0089, “Developing Human Resources to Support the Utilization of Nuclear Technology for Development Including Emerging Needs”.

The purpose of the event is to transfer the crucial knowledge and practical skills to the managerial or directorial level public officials in the participating target countries with the aim to support long term strategies for strengthening capacities, as well as policies for foundational-level regulations in the diagnostic and therapeutic radioisotope and radiopharmaceutical applications field.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country’s nominations by **19 July 2024** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA’s webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Mr Gashaw Gebeyehu Wolde G.G.Wolde@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
