2025-03-04

Subject: Regional INPRO School on Strategic Planning for Sustainable Nuclear Energy, Paks, Hungary, from 2 to 13 June 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER0049, "Enhancing the Capacities of Educational Institutions for the Sustainable use of Nuclear Technologies".

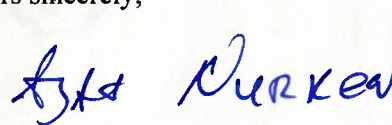

The purpose of the event is to train the participants on how to develop competencies needed for long-term strategic planning of sustainable nuclear energy systems at the national, regional, and global levels using the knowledge and basic practical experience of IAEA-INPRO analytical approaches, methods and tools for assessment and analysis of nuclear energy systems.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **4 April 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Azat Nurken
Programme Management Officer
Division for Europe
Department of Technical Cooperation
