Subject: Regional Workshop on Nuclear Facilities Long Term Operation (LTO), Kozloduy, Bulgaria, from 15 to 19 September 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER2019, "Enhancing Capacity for the Subsequent Operation of Nuclear Power Plants Beyond their Existing Long-Term Operation Programmes".

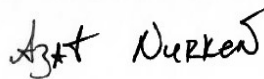

The purpose of the event is to discuss and share knowledge and experience on what countries should consider when developing long term operation programmes with focus on training and competence management.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **28 April 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
